

Approved quote from Mrs. Bush's office for Preserve America Community releases:

*“Preserve America* communities demonstrate that they are committed to preserving America’s heritage while ensuring a future filled with opportunities for learning and enjoyment,” Mrs. Bush said. “This community designation program, combined with the *Preserve America* Presidential Awards and federal support, provides strong incentives for continued preservation of our cultural and natural heritage resources. I commend [“Name of Community”] and its leaders for their commitment to preserving an important part of our nation’s historic past for visitors, neighbors, and, most importantly, for children.”
