*Re: Comments Regarding The Advisory Council on Historic Preservation's Draft "Policy Statement Regarding Treatment of Burial Sites, Human Remains, and Funerary Objects" (Federal Register Vol. 71, No. 49, March 14, 2006)*

To Whom it May Concern:

Please be advised that I am in full agreement with the issues and concerns expressed by Karen Hartgen, the president of the American Cultural Resources Association (ACRA), in regard to the above-referenced comments. I urge the Council's Archaeology Task Force to consider the many points, questions, and recommendations in Ms. Hartgen's letter of June 26, 2006.

Thank you for kind consideration.

Sincerely,

Joan H. Geismar, Ph.D.
