

**AMENDMENT NUMBER 1
TO
PROTOTYPE PROGRAMMATIC AGREEMENT
REGARDING CONSERVATION ASSISTANCE
Between the
UNITED STATES DEPARTMENT OF AGRICULTURE (USDA)
MISSOURI NATURAL RESOURCES CONSERVATION SERVICE (NRCS)
And the
MISSOURI STATE HISTORIC PRESERVATION OFFICER**

FIRST: The purpose of this amendment is to incorporate the following conditions into the agreement. Appendix A, "Classification of Individual Conservation Practices – Potential to Affect Historic Properties," will be updated for practice 382 – Fence.

From: No further action when electric/high tensile or posts are 2 inches in diameter or less.

To: No further action if posts (line or corner) are 3 inches or less in outer diameter and driven. If posts are larger than 3 inches (outer diameter) or if holes are excavated and posts (regardless of size) are set in concrete or backfilled with earth, an evaluation is required.

SECOND: Except as provided herein, all other terms and conditions remain unchanged and in full force and effect.
