Ref: *Second Amended Memorandum of Agreement by and Among the United States General Services Administration, the United States Department of Commerce, the National Park Service, the National Capital Planning Commission, the District of Columbia State Historic Preservation Officer, and the Advisory Council on Historic Preservation Regarding the Modernization of the Herbert C. Hoover Building and Installation of Perimeter Security, and Interior Improvements Associated with Consolidation, Washington, D.C.*

Dear Ms. Witherell:

The Advisory Council on Historic Preservation (ACHP) has signed the second amendment to the Memorandum of Agreement (MOA) for the referenced project. By carrying out the terms of the second amended MOA, the U.S. General Services Administration (GSA) will fulfill their responsibilities under Section 106 of the National Historic Preservation Act and the ACHP's regulations. The original second amendment to the MOA will remain on file at our office.

We commend the GSA for working closely with U.S. Department of Commerce (DOC), the District of Columbia State Historic Preservation Officer, and other consulting parties to resolve adverse effects to historic properties.

By copy of this letter, we have also notified Ms. Beth Savage, FPO, GSA, that this second amendment to the MOA has been fully executed. If we may be of assistance, please contact Ms. Kirsten Kulis, GSA Liaison, at (202) 517-0217, or via e-mail at kkulis@achp.gov.

Sincerely,

Tom McCulloch, Ph.D., R.P.A.
